## **Professional plumbing services estimating is no longer beyond the reach of the plumbing contractors!**

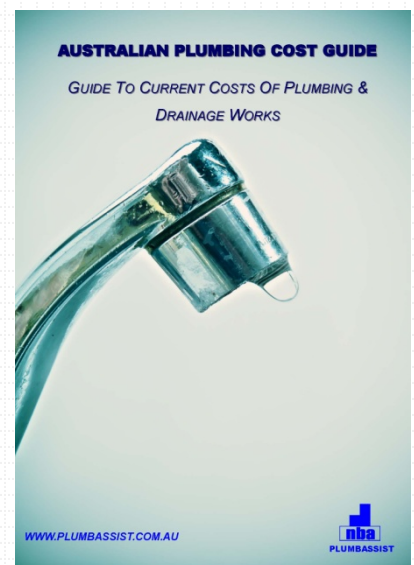

*You could win your customers work with a fast, accurate and professionally developed quote using the AUSTRALIAN PLUMBING COST GUIDE (Excel or Print Edition).*

The *AUSTRALIAN PLUMBING COST GUIDE – EXCEL COSTING VERSION* is **THE** estimating solution for the plumbing contractor. This Excel version is suitable for quickly estimating costs of projects and is designed to be used with the Print Edition of the Australian Plumbing Cost Guide.

It's easy to use, works with your existing Excel software and allows you to produce professional-looking reports with the click of a mouse!

Also available is *The AUSTRALIAN PLUMBING COST GUIDE – PRINT EDITION* - a convenient paperback guide with more than 700 pre-calculated rates for most types of plumbing work.

Both the Excel Version and the Print Edition are updated twice a year to stay current with the latest labour and material costs.

## **Can you afford not to stay up to date?**

## **Your Competitors Can't!!!**

We also have an experienced team of specialist hydraulic and civil services estimators available to professionally budget your next project.

All our products are backed by our after-sales service. For more information or queries, email us at [estimating@plumbassist.com.au](mailto:estimating@plumbassist.com.au)
